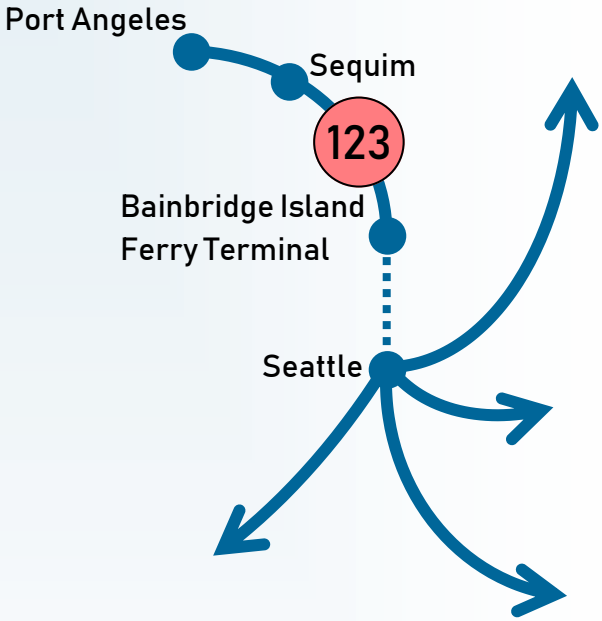
The Strait Shot:

Clallam County's Connection to the World!



General Information

Clallam Transit's Route 123, "The Strait Shot", is an excellent way to make regional connections without the added hassle and expense of using a personal vehicle.

CTS has created this brochure to guide passengers as they make connections to regional destinations upon arrival in Seattle.

If you have any questions or need any assistance, please do not hesitate to ask your Transit Operator or contact Clallam Transit. Google Maps can also help you plan your journey.
